PROPOSED DISPOSAL OF A PROPERTY IN MALAYSIA

The Board of Directors (the “**Board**”) of Kingsmen Creatives Ltd. (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) wishes to announce that its 71% indirectly owned subsidiary, Kingsmen Exhibits Sdn Bhd (the “**Seller**”) has on 4 November 2020 entered into a sale and purchase agreement (the “**Agreement**”) with Avars (M) Sdn Bhd (the “**Purchaser**”), an unrelated party, pursuant to which the Seller has agreed to sell, and the Purchaser has agreed to purchase, a property located at No. 7 Jalan 6/2B, Taman Industri Selesa Jaya, 43300 Seri Kembangan, Selangor Darul Ehsan, Malaysia (the “**Property**”), subject to the terms and conditions set out in the Agreement (the “**Proposed Disposal**”).

The Seller is a company incorporated in Malaysia and its principal activities are the design and production of interiors, exhibitions, decorations and museums.

The Property is of a freehold tenure and comprises land and built-in area of 38,386 square feet and 19,824 square feet respectively. The Property is currently rented to a tenant for rental income.

Pursuant to the terms and conditions of the Agreement, the consideration for the Proposed Disposal is Ringgit Malaysia (“**RM**”) 10,000,000 (the “**Consideration**”) and shall be paid in cash. The Consideration was determined on a “willing buyer-willing seller” basis after taking into account various factors including the location of the Property, the recent transacted prices for similar properties in the vicinity of the Property and the prevailing market conditions.

As at the date of this announcement, the Purchaser has paid a deposit of RM 200,000. Upon execution of the Agreement, the Purchaser shall make a further payment of RM 800,000. The balance amount of RM 9,000,000 (the “**Balance Consideration**”) shall be payable within 90 days from the date of the Agreement (the “**Completion Date**”). In the event that the Purchaser failed to pay the Balance Consideration in full by the Completion Date, the Seller shall grant an extension of 30 days, provided that the Purchaser shall pay to the Seller interest at 8% per annum calculated on a daily basis from the Completion Date till the date full payment of the Balance Consideration is made (the “**Extended Completion Date**”).

Pursuant to the Agreement, the completion of the Proposed Disposal is conditional upon:-

- (a) all warranties, representations and undertakings thereunder by the Seller and the Purchaser being complied with, and true, accurate and correct in all respects as at the Completion Date or Extended Completion Date (as the case may be);
- (b) all approvals, consents and licences (whether governmental, corporate or otherwise) for the Proposed Disposal described or contemplated therein having been obtained; and
- (c) legal/vacant possession of the Property on an “as is where is” basis being delivered by the Seller to the Purchaser within three (3) business days upon receipt of the Balance Consideration.

The Consideration of RM 10,000,000 represents an excess of RM 5,102,000 over the book value of the Property of RM 4,898,000 as at 30 September 2020. The Proposed Disposal will enable the Group to unlock the value of the Property. The net Consideration of RM 9,260,000, after deducting estimated expenses of RM 740,000, will be used to repay the mortgage loan secured by the Property and for the general working capital requirements of the Seller. The net gain on the Proposed Disposal is RM 4,362,000, after deducting estimated expenses of RM 740,000.
